

## Conference Bursary 2019

In 2019, the Council for Allied Health Professionals' Research has allocated funding to support student and early career researchers in presenting their research at conferences. We hope that these funds will assist in the dissemination of Allied Health Professionals' research, as well as offering members invaluable networking and information-sharing opportunities. We are keen to encourage AHP researchers, clinicians and students to submit their work to appropriate conferences.

Funding is provided through a competitive bursary scheme. AHP applicants may request £500 to support attendance at an International conference or £250 for a National conference.

**This conference bursary is primarily aimed at student and early career researchers.**

Successful applicants should acknowledge the support of the CAHPR formally on their presentation or poster and will be asked to submit a report and photograph within four weeks of the activity that will be placed on the CAHPR website.

### Eligibility

All **members of CAHPR hubs**, who meet the following criteria, are encouraged to apply;

- An Allied Health Professional, registered with the HCPC or GOSC (unless applying for the student award).
- A member of one of [CAHPR's 13 member organisations](#).
- The applicant should be the presenting author at the conference.
- Although applications to the scheme are strongly encouraged at the point of abstract submission, applicants must provide proof that their work is *accepted* for poster or oral presentation before payment will be made.
- This bursary is intended to cover conference attendance between September 2019 and December 2019.

Applications will be judged on quality as well as eligibility, since this is a competitive funding stream.

### Application

Applications must be received by **14 August 2019**

They will be reviewed by independent reviewers from the CAHPR joint hub project committee.

Applicants will be notified of results by 4 September 2019.

To apply, please complete the application form along with the following:

- A recent CV
- A copy of the abstract that has been submitted, along with proof of acceptance where possible. Proof of acceptance can be submitted after the application if the outcome is pending, but funding will only be awarded to applicants whose abstracts have been successful
- Please return all completed application forms and supporting documents to [cahpr@csp.org.uk](mailto:cahpr@csp.org.uk)
